ADVERTISEMENTS.

CLERK of WORKS.—WANTED, a competent person to superintend Contract and other Work. He must be acquainted with the details of iron constructions, and also willing to assist, if wanted, in the general business of the office.—Address, by letter only, in the first instance, stating age and references as to capacity, and salary expected, to E. 63, Gracechurch-street, City.

WANTED to PLACE, as an in-door APPRENTICE to a HOUSE DECORATOR, a respectable lad of sixteen.—Apply to J. P. WATERSON, 3, Alexander-terrace, Westbourne-park Road, Paddington.

TO BUILDERS' CLERKS.

WANTED, in the Office of a Builder, a respectable YOUNG MAN, from eighteen to twenty-one years of age, who understands the routine of the office. None need apply who have not been engaged in a similar situation for three years.—Apply, by letter only, to Y. Z. 17, Southampton-street, Strand, stating age, salary required, and where last engaged.

WANTED, a thoroughly competent ENGINEERING ASSISTANT, capable of making general and detail drawings, specifications and estimates for engines, and other mechanical work, and also for reservoirs and earthworks. One who has some knowledge of architectural construction will be preferred.—Address, stating terms, under whom employed, and for what length of time, to A. O. at the Office of "The Builder," 1, York-street, Covent Garden.

TO SURVEYORS AND BUILDERS.

WANTED, by a Young Man who has been in business on his own account as a Surveyor, EMPLOYMENT as above, either occasional or permanent.—Address to R. S. Office of "The Builder," York-street, Covent Garden.

WANTED, by an experienced Joiner (aged 30) in hard and soft wood, who has had seven years' practice in London, a JOB for Six, Nine or Twelve months, in Birmingham, or any large town within twenty or thirty miles of it.—Address A. T. post-office, King-street, Lower-road, Islington, London.

TO ARCHITECTS.

A YOUNG GENTLEMAN, who has completed his articles, wishes for an ENGAGEMENT in an Architect's Office, as ASSISTANT. If not in the house, an equivalent expected.—Address L. S. T. Post-office, Northampton.

A GENTLEMAN of considerable experience in London practice, wishes an ENGAGEMENT as ARCHITECTURAL DRAUGHTSMAN.—Address J. T. Office of "The Builder," 1, York-street, Covent Garden.

TO ENGINEERS AND CONTRACTORS.

A GENTLEMAN, who has had first-rate experience on a Civil Engineer and Government works, &c. wishes to obtain EMPLOYMENT either in the office or as an agent on the works. Is perfectly acquainted with the measurement of works in general, and in preparing detail and finished drawings, also estimates. A moderate salary required.—Address X. L. office of "The Builder," 1, York-street, Covent-garden.

THE Advertiser is desirous of meeting with an ENGAGEMENT in the office of a Gothic Architect. Salary not an object.—Address T. T. Office of "The Builder."

TO ARCHITECTS AND BUILDERS.

AN ASSISTANT, well acquainted with Gothic and Italian, and competent at Working and Perspective Drawings, and has a knowledge of Colouring, wishes for an ENGAGEMENT. Testimonials can be produced. Terms, per week. Age 28. Locality unimportant.—Address W. G. Mr. WALKER'S, 191, Strand.

COMPETITIONS.

ART-UNION of LONDON.—Sculptors intending to COMPETE for the PREMIUM of £100 offered for a BAS-RELIEF, illustrating some event in the military life of the late DUKE of WELLINGTON, are reminded that the 1st FEBRUARY next is the day named for sending in the models.

GEORGE GODWIN, } Honorary
LEWIS POCOCK, } Secretaries.

444, West Strand, 16th December, 1852.

TO ARCHITECTS AND BUILDERS.

GENTLEMEN are invited to forward, gratis, a PLAN and SPECIFICATION for a VILLA or SUBURBAN RESIDENCE, having coach-house and stabling, with a view to its being selected for ultimate erection, within a few miles from Birmingham. Cost about £700. The plans having the most convenient number of bed-rooms, and general other conveniences, is the more likely to be preferred. Bricks can be had within one, and stone within three miles.—Address, Mr. LEADER, 29, Newman-street, Oxford-street. Plans to be sent in by the 1st of January next.

CONTRACTS.

CONTRACT No. 1.—The Directors of the Brentwood Gas Company are prepared to receive TENDERS for all the necessary APPARATUS, MAINS, IRON ROOF, &c. &c. required in the ERECTION of new GAS WORKS. Plans and specification may be seen, and after DECEMBER 13th, 1852, at the office of Mr. F. J. LEMON, Secretary, Brentwood; and any further information required may be obtained of Mr. J. CHURCH, Gas Engineer, Chelmsford. Tenders to be sent under cover, addressed to the Secretary, not later than JANUARY 8th, 1853. The Directors will not bind themselves to accept the lowest tender.

CONTRACT No. 2.—The Directors of the Brentwood Gas Company are prepared to receive TENDERS for the BUILDERS' WORK required in the erection of new gas works. Plans and specifications may be seen on and after DECEMBER 13th, 1852, at the office of Mr. F. J. LEMON, Secretary, Brentwood; and any further information required may be obtained of Mr. J. CHURCH, Gas Engineer, Chelmsford. Tenders to be sent under cover, addressed to the Secretary, not later than JANUARY 8th, 1853. The Directors will not bind themselves to accept the lowest tender.

TO BUILDERS.

PERSONS desirous of TENDERING for the ERECTION of a NEW CHURCH in the Parish of Saint Margaret, Westminster, to be built by her Majesty's Church Commissioners, are requested to apply on or before the 24th inst. to the Architect, Mr. G. G. SCOTT, R.A., Spring gardens, London, where the drawings, specification, and conditions upon which tenders will be received, may be seen. Her Majesty's Commissioners do not bind themselves to accept the lowest, or any tender.—Dec. 16, 1852.

LONDON and SOUTH-WESTERN RAILWAY.—The Directors of this company are prepared to receive TENDERS for a QUANTITY of OLD IRON and OTHER MATERIALS now lying at their Nine Elms Station, where they may be seen, and full particulars ascertained, upon applying to the storekeeper. Tenders marked "Tender for Old Materials," will be received by the undersigned up to Ten o'clock, A.M. on THURSDAY, the 23rd inst. By order of the Directors.

A. BULKELEY, Secretary.

York-road Offices, Dec. 13, 1852.

BOROUGH of SOUTHAMPTON.—To CONTRACTORS and OTHERS.—Notice is hereby given, that the Southampton Local Board of Health will be ready to receive, on or before the 9th day of DECEMBER next, TENDERS for CONTRACTING the MAIN or ARTERIAL SEWERS for the drainage of the town of Southampton. Specifications and forms of tender may be obtained, upon payment of 5s. on application at the Office of the Board, where the necessary plans and sections can be seen.

By order,
CHARLES E. DEACON, Clerk.

Southampton, Nov. 24, 1852.

TO LAND SURVEYORS, &c.

THE LOUGHBOROUGH LOCAL BOARD of HEALTH are prepared to receive TENDERS for the completion of the DISTRICT SURVEY and MAP of the parish of LOUGHBOROUGH, excepting of the hamlets of Woodthorpe and Knightthorpe, and of that portion of the remainder of the parish which is embraced in the town map already finished. The quantity of land yet to be surveyed and plotted amounts probably to about 3,500 or 4,000 acres; the contract to include the computation of the areas, with the necessary table of reference; the whole to be completed to the satisfaction of the Surveyor to the Board within three months from the date of the contract. The scale of the map is to be two feet to a mile.—Further particulars may be obtained of Mr. TEBBUTT, Surveyor to the Board, at his office in the District Map, so far as at present completed, may be seen. Tenders, in writing, to be delivered to me on or before FRIDAY, the 31st of DECEMBER instant.

W. J. WOOLLEY, Clerk to the Board.

Loughborough, December 8th, 1852.

PUBLIC HEALTH ACT, 1848.—DISTRICTS of WISBECH and WALSOKEN.—To SURVEYORS.—The Local Boards of Health of the adjoining districts of Wisbech (Cambridgeshire) and Walsoken (Norfolk), are desirous of receiving TENDERS for SURVEYS and PLANS of parts of both DISTRICTS, for the purposes of the Public Health Act. It is proposed that the same person should execute both surveys, but the tenders are to be separate for each district. Tenders, sealed and addressed to the Local Board of Health of Wisbech or Walsoken (as the case may be), and endorsed "Tender for Survey and Plans," are to be forwarded, under cover to me at my office in Wisbech, on or before the 28th DECEMBER, 1852. The districts to be surveyed comprise as follows:—Wisbech, for general Plan, about 260 acres; town portion about 200 acres, and about 8000 houses; Walsoken, for general Plan, about 1200 acres; town portion about 60 acres, and about 600 houses. The plans to be delivered complete by 25th SEPTEMBER, 1853. The conditions on which tenders will be received, and a plan of the areas to be surveyed, may be seen, and further particulars obtained, on application at the office of Mr. WILLIAM ADAMS, Surveyor, Wisbech.

(By order)
FRA. JACKSON,
Wisbech, 7th December, 1852. Clerk to both Local Boards.

CONTRACTS.

TO CLOCK MAKERS.

A PUBLIC CLOCK is WANTED for the tower of a church, with four dials, one dial to be 8 feet and the other three 4 feet; estimates to be forwarded immediately to the churchwardens of the parish of Longton, Staffordshire Potteries.

TO BUILDERS.

NEW CHURCH, SANDFORD DISTRICT, CHELTENHAM.—The Committee of Superintendence are prepared to receive TENDERS for the ERECTION of the CHURCH. The drawings, plan, and specifications may be inspected at the office of RAYNHAM JONES, Jun. Esq. Cambray, Cheltenham. Sealed tenders, addressed to "The Secretary of the Committee of Sandford District Church," to be delivered at the office of Mr. JONES, not later than the 18th day of JANUARY, 1853. A ample security will be required for the proper completion of the building. The Committee will not engage to accept the lowest tender.—By order of the Committee.

J. CLOKE, Chairman.
J. LEWIS, Hon. Secretary.

Dec. 15, 1852.

GREAT WESTERN RAILWAY.—CONTRACT for WAGONS.—The Directors of this Company are prepared to receive TENDERS for SUPPLYING ONE HUNDRED COVERED GOODS WAGGONS. Drawings and specifications may be seen at the Paddington Station, on and after MONDAY, the 13th inst. Tenders, stating price and the time in which parties will undertake to deliver the waggons, to be sent to the undersigned not later than Ten a.m. on THURSDAY, the 16th.—By order, CHAS. SAUNDERS, Secretary.

Paddington Station, 8th December, 1852.

LONDON and SOUTH-WESTERN RAILWAY.—TO CONTRACTORS and BUILDERS.—The Directors of this Company are prepared to receive TENDERS for the ERECTION of certain WORKS at their Waterloo Station, Lambeth. The drawings and specifications may be seen at the office of Mr. TITE, No. 37, St. Helen's-place, Bishopsgate-street, on and after THURSDAY, the 16th inst. and tenders marked "Tender for Works at the Waterloo Station," will be received by the undersigned, not later than TWELVE o'clock at Noon, on THURSDAY, the 23rd inst. The Directors do not bind themselves to accept the lowest or any tender.

By Order of the Directors,
A. BULKELEY, Secretary.

York-road Offices, Dec. 13, 1852.

TO BUILDERS, BRICKLAYERS, MASONS, PLASTERERS, Plumbers and Glaziers, Slaters, Painters, Ironfounders, Gasfitters, and Bellhangers.

THE Building Committees of the Hull Subscription Library and of the Hull Literary and Philosophical Society require TENDERS for the ERECTION of their NEW BUILDINGS in ALBION-STREET. Plans and specifications may be seen at the office of Mr. CUTHBERT BRODRICK, Architect, No. 1, Savile-street, Hull, on and after MONDAY, the 3rd of January, 1853. Sealed tenders, addressed to the Building Committees, to be left at the Architect's office not later than the 17th of January. Bills of quantities will be provided. The committees do not pledge themselves to accept the lowest tender. Separate tenders are required for the respective buildings, and also separate tenders for the whole, as well as each branch of the works. A Clerk of the Works wanted for the above buildings. Testimonials required. Apply to the Architect.—Hull, Dec. 15, 1852.

THE GREAT INDUSTRIAL EXHIBITION of 1853 (in connection with the Royal Dublin Society).—To open the FIFTH of MAY, 1853. The Committee are at present engaged in considering the very numerous applications for space already forwarded, upon which they purpose to communicate their decision with as little delay as possible.—By order of the Committee.

C. P. ROONEY, Secretary.

THE GREAT INDUSTRIAL EXHIBITION of 1853, in connection with the Royal Dublin Society. To be opened on the 5th May, 1853.

FINE ARTS.—NOTICE TO EXHIBITORS.—Pictures in Oil and Water Colours, most portraits, sculptures, architectural designs, and models, copyrighted engravings, medals, and engraved gems, are eligible for Exhibition.

All works intended to be exhibited, must be delivered in London as early as possible in the month of March, 1853, and none can be received after the 24th of that month, except by special application.

A suitable depôt in London will shortly be announced, to which all works of art of the above description may be forwarded, the conveyance to and from Dublin will be free to artists.

The prices of works which are for sale, will be entered in a book, and placed for reference in the Exhibition. No commission upon works sold will be charged by the Committee to Exhibitors.

Mr. Henry Mogford is specially entrusted with the superintendence of the Fine Arts department, to whom all communications may be addressed, at the London offices, Society of Arts, Adelphi.

By order, C. P. ROONEY, Secretary.

THE ARCHITECTURAL MUSEUM, CANON-ROW, WESTMINSTER.—The Committee of the above Institution, the object of which is to provide a collection of casts from original specimens of architectural sculpture and carving, as well as other objects of like interest, for the constant reference and study both of architects, architectural students, and of carvers and other workmen engaged in connection with architecture, is long about to print their first list of subscribers and donations, earnestly invite those who may be disposed to join in this important undertaking to send their name as early as convenient, to the Treasurer, Mr. GEORGE GILBERT SCOTT, 20, Spring-gardens. The Committee beg leave to refer to the article explanatory of their objects and views in "The Builder" for October 30th, 1852. The Committee will be most thankful for donations of casts from works of acknowledged merit, or other objects of architectural interest.

MASONS' PROVIDENT INSTITUTION.—The Committee of the above Institution have to announce the adoption of the Subscribers to ELECT TWO additional PENSIONERS at the ensuing Annual Meeting in January, one male and one female. All persons desirous of becoming candidates can receive printed forms of application by applying to the Secretary; such forms, properly filled up, to be delivered to the Committee on or before the FIRST WEDNESDAY in JANUARY.

W. M. PIX, Secretary pro tem.

14, William-street, Hampstead-road.
